

Fresh Pressed Apple Juice

Tree Top's 3 Apple Blend is made from fresh pressed apples, not from concentrate. Our special blend of Red Delicious, Golden Delicious, and Granny Smith provides a refreshing, distinctive flavored Apple Juice.

Fruit is pressed at the peak of its flavor.

Production of our Fresh Pressed product is limited to seven months; mid October through mid May. This is necessary to capture that fresh, crisp harvested flavor of the apples.

3 APPLE BLEND NUTRITIONAL INFORMATION
