Evaporated and Low Moisture

PRODUCT FEATURES

- Nothing Artificial
- No Allergens
- Kosher

As one of the top dried apple suppliers globally, Tree Top dried apples add great flavor and texture to any snack or menu application.

Evaporated apples are a versatile product with excellent texture and great taste. They are dried to a variety of moisture levels ranging from 14%-26% H₂O, depending on the product.

Low Moisture puffed apples are made with a unique process that provides a crisp and crunchy bite that will enhance any dish. Our low moisture process dries the apples to less than 3% H₂O.
